DAIMLERBENZ

Daimler-Benz Washington, Inc.

June 11, 1992

The Honorable Howell Heflin
United States Senate
Washington, D.C. 20510

Dear Senator Heflin:

This office believes you will be interested in a program about to get underway which will give 72 high school students and 8 teachers the chance to experience today's Germany first-hand as guests of Germany's largest company, Daimler Benz. The program, named the "Award of Excellence", will run from June 13 to July 6 and will take students selected from all over the United States to Stuttgart and Berlin.

The Daimler Benz "Award of Excellence" was conceived in early 1991 as an expression of solidarity with the United States for its efforts in the Gulf, and as an expression of thanks to Americans for their support of Germany in the post-war era and for German unification in particular, as well as to promote a greater interest in Germany, its language and culture among American teenagers.

The "Award of Excellence" has been given to 80 North American high school students who have demonstrated academic excellence in a field of study related to Germany. A total of 3,092 schools and 260,534 students took part in the competition for the "Award of Excellence" program. In early February, 72 U.S. high schools in 38 states and 8 Canadian schools in 6 provinces were selected to receive an award. Each school has since nominated one of its top students to represent both it and its local community on the 3 week trip to Germany.

Ms. Tia Christina Nielsen from Murphy High School, located in Mobile, Alabama, is a recipient of the "Award of Excellence".

After an introductory briefing in Washington, the group will fly to Stuttgart where they will be welcomed by Mr. Edzard Reuter, Chairman of Daimler Benz AG. This will be followed by several days visiting the Daimler Benz group's various automobile, aerospace, and electronic facilities. All of the students will then spend 2 weeks with host families of company employees, taking part in their daily activities. The program will conclude on July 6 after 3 days of activities in Berlin, where the group will tour the capital of reunited Germany and be exposed to details of the unification process during a visit to one of the new East German federal states.

Sincerely,

A. D. Bourland
